By policy, member only parking is permitted on the grounds at 9012 & 9020 Kilgore Road. All guest parking is to be in the OCSA guest parking area across the street (if event is held during normal operating hours). OCSA staff may allow for reasonable exceptions to the guest parking policy based on club traffic/usage. OCSA staff decisions, in this regard, must be considered final.

BUILDINGS & GROUNDS NON-EXCLUSIVITY

As the club and the facilities are open to all members during normal operating hours, OCSA cannot guarantee that an event will not be interrupted by member activities or that you will have exclusive use of any OCSA area. If your event is a wedding, then you will receive exclusive use of Lake Sheen Hall.

No thumb tacks, nails, push pins, staples or tape may be used on furniture, windows, doors, walls, fireplace, beams, ceiling fans, etc. **No open flame candles are allowed.** Decorations must be limited and/or unobtrusive to the general membership and must be properly disposed of after use. **No glitter, confetti, water balloons, paint or chalk are allowed. SET UP / BREAK DOWN / CLEAN UP / TRASH REMOVAL

Except where services are provided by OCSA, the member is responsible for set up, break down and general clean up after usage. The facilities must be left "broom clean". The set up, break down, and clean up must be accomplished during the allotted rental time. Any extra tables, chairs, supplies etc. (brought in) must be removed. Trash can liners are provided and must be used in all trash receptacles. Staff will facilitate trash removal to the dumpster.

SERVICE / EQUIPMENT PROVIDERS

Caterers, DJs, and any other service providers used at any event must provide OCSA with a copy of current certificates of Worker's Compensation and General Liability Insurance at least one week prior to the event. Minimum coverage is \$100,000 for Worker's Compensation and \$1,000,000 for General Liability. Delivery of equipment, such as tables and chairs, must be arranged with OCSA staff. All tables and chairs should have rubber or soft tipped legs so as not to damage the wood or stone floor finishes.

ALCOHOL USAGE

OCSA allows the serving or consumption of alcohol on its premises. Should the member choose to serve alcohol, they do so at their own risk and liability. If alcohol is served, it must be free of charge and not sold (i.e., NO CASH BARS). Underage/unsafe/excess consumption will not be tolerated by OCSA staff and could lead to the sponsoring member's loss of OCSA Membership. Authorities will be called to address any situation that threatens the safety and well-being of any person.

INDEMNIFICATION OF OCSA

The OCSA shall not be responsible for any personal injuries sustained by the member, his or her family or guest, unless such injury results from the OCSA's failure to exercise due care and diligence, and member does hereby indemnify and hold the OCSA harmless from any claims, suits, or demand against it arising from personal injury or property damage resulting from member's, his or her family or guest's negligent or intentional acts while on OCSA premises and/or dock and launching facilities.
